

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**Review Report to
The Board of Directors
Vodafone Idea Limited**

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Vodafone Idea Limited (the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associate and joint venture for the quarter ended June 30, 2024 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Holding Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Holding Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Master Circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the entities as referred to in the Annexure.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes

1. The above unaudited consolidated financial results of Vodafone Idea Limited and its subsidiaries (the Group), joint venture and associate, as reviewed by the Audit Committee of the Board, were approved and taken on record by the Board of Directors at their meeting held on 12th August, 2024.
2. Pursuant to the cabinet reforms on telecom and the resultant moratorium on spectrum installment (excluding the auctions of 2021 and 2022) and on AGR demands till FY 16-17 (affidavit period), following which, the Company had conveyed its acceptance for the conversion option and allotted equity shares to the Government of India during FY 2022-23. Also, the AGR demands beyond the affidavit period i.e. FY 17-18 and FY 18-19, which are part of the four year moratorium but without availment of equity conversion option of the interest related to such deferment are subject to further correction/revision on account of disposal of representations and any other outcome of litigation. The undisputed amounts as finally determined by 31st December, 2025 shall be paid in six equal instalments post the moratorium period. The review petition and the Curative Petition filed with the Hon'ble Supreme Court to hear the modification application on correction of manifest / clerical / arithmetic errors in the computation of AGR demands for the years covered in the judgement is pending to be heard.
3. The Group has incurred a loss of Rs. 64,321 Mn for the quarter ended 30th June, 2024. Its net worth stands at negative Rs. 907,896 Mn.

As at 30th June, 2024, the outstanding debt from banks and others (including interest accrued but not due) of the Group is Rs. 48,449 Mn and the deferred payment obligation amount towards Spectrum and AGR (including interest accrued but not due) of the Group is Rs. 2,161,617 Mn. As at 30th June, 2024, an amount of Rs. 19,635 Mn (31st March, 2024: Rs. 23,636 Mn) has been reclassified from non-current borrowings of loans from banks and others to current maturities of long-term debt of loans from banks and others for not meeting certain covenant clauses under the financial agreements. The Group has exchanged correspondences and continues to be in discussion with the lenders for next steps/waivers. Loans from banks and others and deferred payment obligations payable by 30th June, 2025 is Rs. 26,901 Mn (excluding amount classified as current on account of not meeting certain covenant clauses) and Rs. 5,374 Mn respectively. As of date, the Group has met all its debt obligations payable to its lenders / banks and financial institutions along with applicable interest. The Company has utilized extended credit period to discharge some of its contractual obligations. Further, certain vendors have asked for payment of their overdue outstanding. The Company continues to be in discussion with them to agree to a payment plan. The Company is also required to provide bank guarantees at least 13 months prior to each of the instalment becoming due post the moratorium period i.e. from October 2025 and at each of the relevant dates till September 2026 which aggregates to Rs. 247,469 Mn or seek a waiver from DoT for providing bank guarantees considering that the requirement of bank guarantees has been removed from the notice inviting applications ('NIA') for 2022 and subsequent spectrum auctions.

On 23rd April, 2024 the Company has allotted 16,363,636,363 equity shares of Rs.10 each at an issue price of Rs. 11 (including a premium of Re.1.00 per equity share) aggregating to Rs. 180,000 Mn by way of Further Public Offer (FPO). Additionally, on 21st May, 2024 the Company has allotted 1,395,427,034 equity shares of Rs. 10 each at an issue price of Rs. 14.87 (including a premium of Rs. 4.87 per equity share) aggregating to Rs. 20,750 Mn on a preferential basis to an existing shareholder entity forming part of the promoter group.

Subsequent to quarter end, on 12th July, 2024 the Company has allotted 160,000,000 equity shares of face value of Rs.10 each at an issue price of Rs. 10 per equity share to current Optionally Convertible Debenture (OCD) holders, towards conversion of 1,600 OCDs having face value of Rs. 1,000,000 each into 100,000 equity shares of Rs. 10 each. All the outstanding OCDs stand converted into equity shares.

Additionally, on 18th July, 2024 and 19th July, 2024 the Company has allotted 1,027,027,024 equity shares to Nokia Solutions and Networks India Private Limited and 633,783,780 equity shares to Ericsson India Private Limited of face value of Rs. 10 each at an issue price of Rs.14.80 (including a premium of Rs. 4.80 per equity share) aggregating to Rs. 24,580 Mn on a preferential basis. The funds so raised shall be used to pay Rs. 18,435 Mn for amounts owed to them and the balance of Rs. 6,145 Mn for general corporate purposes.

The Group believes, with the above capital infusion, it will be able to conclude the negotiations with lenders, vendors and DoT for continued support; and generation of cash flow from operations that will enable it to settle its liabilities as they fall due. These consolidated financial results have, therefore, been prepared on a going concern basis.

On 16th October, 2023, the Hon'ble Supreme Court of India pronounced a judgement regarding the tax treatment of annual Revenue Share License Fee (RSLF) which required tax provisioning along with applicable interest during the quarter ended 30th September, 2023. The Company successfully bid for 50 MHz of spectrum (900 MHz, 1800 MHz and 2500 MHz) in 11 circles at a total cost of Rs. 35,104 Mn. The validity of the spectrum is for a period of 20 years starting from the effective date as per the Frequency Assignment Letter for Respective Service Areas. Based on the available payment options, the Company has opted for the deferred payment option. Demand note in this regard has been received on 16th July, 2024 and payment of the installment was done on 26th July, 2024. The Frequency allotment letter has been received on 1st August, 2024. Accordingly, the accounting effects of this transaction shall be considered in the quarter ending 30th September, 2024.
