Vi expands 5G services to Cricket Stadiums Across 11 cities

Following the successful launch of its 5G services in Mumbai, **leading telecom operator Vi** has now expanded its 5G services to major cricket stadiums across 11 cities. Cricket fans will now be able to experience the power of Vi 5G in stadiums Ahmedabad, Bengaluru, Chandigarh, Chennai, Delhi, Hyderabad, Jaipur, Kolkata, Lucknow, Mumbai and Visakhapatnam. Currently, the India T20 league, which takes place annually from March to May, is being played in these venues.

To ensure high-speed connectivity to the lakhs of spectators flocking stadiums for live action, **Vi has strengthened its network infrastructure**. For a seamless 5G experience in high footfalls venues like stadiums, Vi has deployed additional 5G network sites and strengthened its network with technologies like BTS and Massive MIMO.

These network expansions are designed to provide the best digital experience, ensuring fans can enjoy fast, reliable connectivity even in jam-packed stadiums. In the stadiums' vicinity Vi has **successfully installed a total of 53 5G sites, enhanced capacity in 44 sites, and deployed 9 Cell On Wheels (CoW), ensuring that fans can stay connected like never before!**

Who can access Vi 5G in the stadium?
